

Skin Cancer Screening

Are you at risk for skin cancer?

Skin cancer is the most common form of cancer with more than 1 million new cases every year. Join **Helge G. Riemann, MD** for this **FREE** skin cancer screening.

This screening is intended for individuals who:

- Do not regularly see a primary care physician
- Work outdoors or spend a lot of time in the sun
- Have a growth or sore on their skin

Limited availability. Pre-registration is required.

December 15, 2020, 6-8p.m.

Mid Coast Hospital Parkview Campus- Infusion Center

329 Maine Street–NORTH ENTRANCE, Brunswick, Maine 04011
