

Learn firsthand about the MID COAST Center
for JOINT REPLACEMENT!

FREE EDUCATIONAL SESSION

Thursday, October 25 • 5 p.m.

Do you want to do things you haven't done in ages, gain relief from pain you've lived with for years, and be able to exercise and improve your overall health?

Join **Thomas J. Kryzak, MD**, and **Jacob H. Furey, MD**, to learn about the first-class orthopedic care available right here, close to home.

They will discuss joint replacement surgery and answer your questions.

For more information, please call (207) 373-6585.
